

3M educational boot camps: Advanced clinical documentation integrity (CDI) training

- Comprehensive CDI education addressing fundamental CDI skills and the clinical and coding concepts behind key MDCs
- Build a clinical record that is complete, accurate and compliant
- Stay current on the latest industry coding guidelines and clinical content
- Receive knowledge checks throughout the training and take a final exam to help reinforce the learning
- Qualify for up to 26 hours of continuing education units (CEUs)

Virtual advanced CDI training

The advanced CDI training offers comprehensive CDI education addressing fundamental CDI skills, the Medicare Severity (MS), and **3M™ All Patient Refined DRG (APR DRG) Classification System**, the intricacies of the Inpatient Prospective Payment System (IPPS), coding guidelines and key major diagnostic categories (MDCs). This week of training is a crucial starting point for new inpatient CDI, coding professionals or team members who are looking for a refresh on the **3M™ Advanced CDI Transformation Program**. This course is recommended before moving to more advanced topics, such as quality initiatives, risk adjustment, advanced anatomy and physiology concepts and associated query opportunities.

Why train with 3M?

3M created the industry's first formal CDI program and has successfully educated and trained thousands of CDI specialists and coders since the early 1980s. With more than three decades of industry experience and more than 3,000 customers, our 3M consultants are not only experienced educators, CDI specialists and coding professionals, but they are also on the front lines working hand in hand with clients to advance and manage their CDI and quality programs. Our 3M consultants take that expertise directly from the field and into the classroom, so you have the most up to date content to succeed in your role.

Start your training

Training weeks will be offered multiples times throughout the year and pricing is on a per student basis*. [Visit our website](#) to learn more about upcoming educational boot camps, register and more.
